RESERVATION PROCEDURE

Deposit

We encourage you to book as early as possible, as many of our trips fill fast. Most of our tours have a limited number of participants and can sell out months in advance. Unless otherwise specified while making your reservation, a \$500 per person deposit is necessary to reserve a space on a trip. After the Vuelta route is announced in December, an additional deposit of 40% of the trip cost minus the \$500 initial deposit will be charged by February 15th. Booking is confirmed upon receipt of this deposit. We accept payments by credit card (MC, Visa, American Express), check drawn on US banks or money order.

Payment Schedule

- An initial deposit of \$500 is due at the time of booking.
- A deposit of 40% of the trip cost, minus the \$500 initial deposit is due on February 15th, 2019.
- Final payment on our 2019 Vuelta a España packages is due on or by April 15th, 2019.

Confirmation

Bookings and payments are confirmed by email. Our acknowledgment will include an accounting of the amount paid and the balance due as well as a reminder of the final balance due date. For payment by credit card, a credit authorization form is included on page one of this registration form that we ask you to sign and return.

An update will be sent to you after the 2019 Vuelta a España announcement that will allow you to verify your trip. Because these trips require a very early booking, we highly recommend TRIP CANCELLATION INSURANCE and can assist you in obtaining such coverage (US Residents only) via Travelguard. A risk release statement is also included with your registration. This form must be signed by each traveler in your group and returned to Custom Getaways in order to register for a trip.

Cancellation & Refunds

Cancellation must be made in writing.

If cancellation reaches us on or before February 15th, 2019; all but \$75 of the initial deposit will be refunded.

If cancellation reaches us on or before April 15th, 2019; 50% of the total deposit will be refunded.

No refunds after April 16, 2019.

We recommend trip cancellation insurance.

This registration is strictly personal and can, under no circumstance, be transferred to another person or entity whatever the reason.
